

B.Com Program

The Bachelor of Commerce (B.Com) is a timeless and versatile degree that lays the foundation for a strong career in finance, accounting, taxation, banking, business, and corporate law. It is ideal for students who are analytical, organized, and interested in understanding the financial pulse of businesses and the economy.

At Dogra Degree College, our B.Com program is designed not just to teach, but to transform learners into professionals by integrating academic excellence with practical exposure, aligned with NEP 2020 and current industry needs.

Future Scope of B.Com

- Higher Studies: Seamless progression into M.Com, CA, CS, CMA, MBA (Finance), LLB, and specialized certifications like CFA, CFP, or ACCA.
- Government & Competitive Exams: Strong foundation for UPSC, SSC, Banking, Insurance, and Civil Services.
- Immediate Employability: Opens doors to job roles such as Accountant, Financial Analyst, Tax Consultant, Auditor, Business Consultant, and Banking Executive.
- Global Career Path: B.Com is recognized internationally and provides pathways for higher education and jobs abroad.
- Entrepreneurship: Students can build financial literacy and business acumen to start their own ventures, supported by our Skill Incubation Centre.

B.Com @ Dogra Degree College

- Curriculum infused with practical learning, project work, and industry exposure
- Value-added courses like Tally ERP, GST, Excel for Finance, and Investment Planning
- Workshops on Budgeting, Tax Filing, Stock Market Basics, and Corporate Etiquette
- Personality Development and Career Enhancement Modules to boost professional readiness
